

Certified Companies

Logo	Company	Works / Services	Address	Contact person
	BARG Betontechnik und -imstandsetzung GmbH & Co. KG	Structure reinforcement with concrete textile and carbon-fibre reinforced plastic lamella Concrete repair, shotcrete, crack repair Construction diagnostics, facade renovation, car parks and underground parking, excavations and embankments Bridges, tunnel and industrial plants, fire and water damage restoration, recreational facilities	Potsdamer Str. 23/24 14163 Berlin phone: +49 30 80192-0 fax: +49 30 80211-77 mail: info@barg-betontechnik.de www.barg-betontechnik.de	Dirk Dalichow +49 30/ 80192-0
	Bickhardt Bau AG	Road construction, construction repair, concrete road building, landfill construction, special civil engineering, dam construction, turnkey construction	Industriestr. 8 36275 Kirchheim phone: +49 6625 88-0 mail: info@bickhardt-bau.de www.bickhardt-bau.de	Georgi Gogoladze
	DBF - Deutsche Basalt Faser GmbH	Basalt fibre - Rovings - Cut fibres - Textile reinforcement grids - Non-wovens - Bars	Carl-Rabe-Str. 11 06526 Sangerhausen phone: +49 3464 276769-0 mail: info@deutsche-basalt-faser.de www.torkret.de	Fabrice Kotte +49 8024/ 47048-0
	Geiger Bauwerksanierung GmbH & Co. KG	Bridge repair, underground parking repair, cathodic corrosion protection, building waterproofing, coatings, component reinforcement	Birkerfeld 30 83627 Warngau phone: +49 8024 47048-0 fax: +49 8024 47048-20 mail: info@geigergruppe.de www.geigergruppe.de	
	Gleisbau Sabrodt GmbH		An der Siebanlage 02979 Elserheide phone: +49 3564 3796-0	

as on: 15. November 2017

Logo	Company	Works / Services	Address	Contact person
	Implenia Instandsetzung GmbH	Waterproofing/ coating injection/ surface protection, concrete repair Carbon-fibre reinforced plastic lamella Facades, balconies, thermal insulation systems, cathodic corrosion protection Shotcrete Component reinforcement with textile concrete, consultation, maintenance, planning	Zielstattstr. 19 81379 München phone: +49 89 720 1887-0 fax: +49 89 720 1887-60 mail: info.instandsetzung@implenia.com www.instandsetzung.implenia.com	Rolf Spreemann +49 89/ 720 1887-40
	Laumer Bautechnik GmbH	Execution, planning and static proofs, component reinforcement with steel lamella, carbon-fibre reinforced plastic lamella and carbon-fibre reinforced plastic sheets, shotcreting works Installation of stonework anchors, crack repairs, stonework and concrete repair planning and others according to the Instandsetzungsrichtlinien [Guidelines for Concrete Repairs] (DAfStb) Comprehensive consulting in the area of support structure) Ganzheitliche Beratung im Bereich der Tragkonstruktion	Bahnhofstr. 8 84323 Massing, phone: +49 8724 88-0 fax: +49 8724 88-500 mail: info@laumer.de www.laumer.de	Christian Laumer +49 8724/ 88 440
	Laumer Leipzig Bausanierung GmbH	Execution, planning and static proofs, component reinforcement with steel lamella, carbon-fibre reinforced plastic lamella and carbon-fibre reinforced plastic sheets, shotcreting works Installation of stonework anchors, crack repairs, stonework and concrete repair planning and others according to the Instandsetzungsrichtlinien [Guidelines for Concrete Repairs] (DAfStb) Comprehensive consulting in the area of support structure Ganzheitliche Beratung im Bereich der Tragkonstruktion	Fritz-Salitz-Straße 38a 04288 Leipzig phone: +49 34297 48400 fax: +49 34297 48399 mail: laumer.leipzig@laumer.de www.laumer.de	Bärbel Böttiger +49 34297 48 400
	Massenberg GmbH	Concrete repair, corrosion protection, cathodic corrosion protection, painting works	Ringstr. 15 01468 Moritzburg, phone: +49 351 839 50-0 fax: +49 351 838 88 50 mail: moritzburg@massenberg.de www.massenberg.de	Steffen Vogt +49 351/ 839 50 15

Logo	Company	Works / Services	Address	Contact person
	Repenning + Sohn Bauwerk- haltung GmbH	Repair and maintenance of engineering structures (TUDALIT textile concrete, shotcrete as per DIN 18551, repair as per Rili SIB, injection process) Waterproofing with KMB and gel-injections, painting works Works of corrosion protection, industrial floor coating and Water Management Act-coatings Industriebodenbeschichtung und WHG-Beschichtungen	Freiheit 10 13597 Berlin phone: +49 30 628871-0 fax: +49 30 628871-22 mail: info@repenn-ing.de www.repenn-ing.de	Bernhard Schwarz +49 30 / 6288 71-0
	solidian GmbH	Level reinforcement, form reinforcement, special grid, plaster grid, bar reinforcement, consultation, dimensioning, test laboratory	Sigmaringer Str. 150 72458 Albstadt phone: +49 7431 10-2670 fax: +49 7431 10-62670 mail: info@solidian.com www.solidian.com	Dr. Christian Kulas +49 7431/ 10-3118
	TARKUS IngenieurSanierung GmbH	Shotcrete, fire protection, coating, concrete repair, structural maintenance, injection technique Carbon-fibre reinforced plastic / steel lamella reinforcement systems, art and rock building Textile concrete	Hochbergweg 2 12207 Berlin phone: +49 30 772 0577-0 mail: info@tarkus.de www.tarkus.de	Marco Götz 030/ 772 0577-0
	TDC GmbH Gebäudeservice	Concrete repair, restoration Waterproofing / insulation protective wall	Chemnitztalstr. 62 09114 Chemnitz phone: +49 371 442584 mail: info@tdchemnitz.de www.tdchemnitz.de	Torsten Welzel
	TORKRET GmbH	Execution and consultation: - Component reinforcement - Construction repair - Structural maintenance - Construction works on existing buildings	Langemarckstraße 39; D-45141 Essen phone: +49 201 2943-0 fax: +49 201 2943 120 mail: essen@torkret.de www.torkret.de	Dipl.-Ing. Erich Erhard Tel: +49 171 2202265
